

ONSITE AUDIT FOR THE ISSUANCE OF ALLIANCE FOR WATER STEWARDSHIP (AWS)
CERTIFICATION – PUBLIC ANNOUNCEMENT

The Alliance for Water Stewardship (AWS) is a global standard for entities willing to demonstrate their commitment towards ensuring (1) good water governance, (2) sustainable water balance, (3) good water quality status and (4) healthy status of Important Water-Related Areas. A copy of the Standard is available on the AWS website.

The Nigerian Bottling Company Limited (NBC) has applied for the Alliance for Water Stewardship (AWS) certification for her Abuja plant. The NBC Abuja production plant is located at Plot 732, Idu Industrial Layout, Jabbi Abuja, FCT. Control Union Certifications have been engaged by the company to conduct the certification audit, which is planned for the 10th and 11th of December 2018. The lead auditor who will be coordinating the audit is Mr. Bunny Azmi and will be supported by Mr. Akinwekomi Olalekan.

Interested stakeholders are hereby invited to make written or oral submission in respect of the application on the operations of the NBC Abuja production plant and their impact on the water catchment of the area.

Written submission including objective evidence should be sent to the Lead auditor (Bunny) at bazmi@controlunion.com or contact the Local auditor (Olalekan) on phone 08083031440. When possible, Control Union will arrange to meet with interested parties. All comments and sources will be kept in strict confidence at the request of the commenter.

Thank you.

Signed management.

Control Union Certification.
