Re: Alliance for Water Stewardship (AWS) Self-Verification

Dear AWS,

This letter declares that the General Mill's Albuquerque, NM facility is in conformity with all core indicators of the AWS standard and serves as the Self-Verification Declaration.

This Self-Verification Declaration pertains to the following:

Company Name	<i>General Mills</i>
Name and Location of Site	<i>Albuquerque Plant 3501 Paseo Del Norte NE Albuquerque, NM 87113</i>
Catchment	<i>Rio Grande Watershed</i>
Industry Sector	<i>Food and Beverage</i>
Date of Completion of Self-Verification Assessment	<i>September 5, 2019</i>
Percentage of the Organization that was Assessed	<i>5% of US Manufacturing Sites</i>
Version of the AWS Standard Used	<i>Version 1.0</i>
AWS Reference Number	<i>AWS-OSVO-INT--00-01-00018-0110</i>

Respectfully,

Rachael Wooden
Plant Manager
General Mills Albuquerque
