Re: Stakeholder Input on certification audit

Vanguard Perú site Fundo Challapampa (AWS-000203) located at Panamerica Sur Km 284.5, Salas, Ica 11501, Peru is seeking certification against the Alliance for Water Stewardship (AWS) standard v2.0.

The Phase 1 of the audit will take place on the 16th July 2020 (document & record review, preliminary interviews), and the Phase 2 (certification audit) is planned for August 2020 or after, depending of the information of the phase 1 and the stakeholder comments.

The audit team leader is: Ursula Antunez de Mayolo (SGS Peru, based in Lima)

Stakeholders can contact ursula.antunez@sgs.com to provide comments, or send a whatsapp message to 51 998 456 359.
